Park-Specific Provisions for
Special Use Permits - Non-Profit Organizations
2013

(Last Revised: March 2012)

The following specific provisions (in addition to all conditions and provisions provided in Attachments A and B), are applicable to those commercial activities and areas authorized in your Special Use Permit:

1. Excluding Brooks Camp Developed Area, any SUP trips will be limited to a group size of 15 persons including Holder's employees/guides/trip leaders/trip leaders.
2. The use of vessels (boats and rafts with or without motors) is prohibited on American Creek except that boat trips can originate at Hammersly Lake and end at Lake Colville.
3. Use of Public-Use Cabins in support of commercial activities is prohibited. Fure's cabin is the only designated Public Use Cabin in Katmai. Nonvianuk, Amalik and Swikshak structures in Katmai and Aniakchak Bay Cabin in Aniakchak are for park administrative use only.
4. Standing dead wood, leaning dead wood or any wood associated with historic structures or historic features or those cabins identified in #4 above may not be collected. The use of chainsaws is prohibited within Katmai National Park, Aniakchak National Monument and the Alagnak Wild River.
5. All fuel caches must have prior written approval from the Superintendent. A written request must include the exact location of the proposed fuel cache including a map and GPS coordinates (if available) AND the reason for the cache. If approved, all fuel caches must be removed from the park on or before November 15.
6. No personal or business property of any kind may be stored or left unattended for more than 48 hours without written permission from the superintendent.
7. Radio frequency 122.9 will be utilized to announce intentions for landing and takeoff.
8. All watercraft utilized under this SUP must be identified in paragraph 14 of the SUP application, and are considered commercial watercraft at all times. Watercraft must be legibly marked with the trade or service-marked logo or name of the Authorization on the outside of the boat.
9. Watercraft identified in paragraph 14 of the SUP application may be used for access to and

from park lands and waters to support SUP operations; however watercraft may not be left in the field unattended except as may be necessary for limited periods while groups are guided to areas the watercraft cannot reach. Unattended boat storage is prohibited; at the conclusion of each separately guided trip, the watercraft must be retrieved and removed from the field with the groups.

10. Cleaning and depositing fish parts at Big River is not permitted.
11. The establishment of a campsite, camping or staging a campsite without group participants physically in camp is limited to one day prior to arrival of group participants and one day after departure of group participants. Camping is authorized for 14 consecutive days in one location. Camping is prohibited after 14 consecutive days in one location unless the camp is moved at least 2 miles or unless authorized by the Superintendent.
12. Any discharge of bear spray or signal flares (or any other device or substance intended to frighten and/or repel wildlife) in response to an encounter with a bear or any other wildlife must be reported to the Katmai Chief Ranger within 72 hours of the incident.
13. All guides/trip leaders and group participants will carry and have in their possession all required state licenses for the activity being pursued, e.g. fishing and hunting. These documents must be carried and must be available for inspection upon request from any park or state official while operating within the boundaries of Katmai National Park, Alagnak Wild River, and/or Aniakchak National Monument.

BROOKS CAMP

14. Immediately after arrival at Brooks Camp Developed Area, the Special Use Permit Holder is required to ensure all group participants proceed to the park's visitor center for an NPS-approved Bear Orientation.
15. Aircraft must maintain 1000' AGL in vicinity of Brooks Camp. Landing and takeoffs or taxiing within 50 yards of bears is prohibited.
16. Aircraft surface operations are limited to idle maneuvers within 200 yards of Brooks Camp Beach on Naknek Lake. Step Taxi operations, initiation of takeoffs and landings within this zone is prohibited.
17. Power-on, negative pitch beaching operations of turbine powered craft are prohibited.
18. Loading or unloading passengers or cargo from aircraft must be done only when engine or engines are completely shut down. "Hot loading" or "hot unloading" of passengers or cargo is prohibited.
19. Other than during the loading or unloading of passengers or cargo, aircraft or watercraft may not be parked in the following areas:

- a) On Naknek Lake between the mouth of the Brooks River and the NPS flagpole.
 - b) On Brooks Lake within 60 feet either side of the cleared ramp area adjacent to the picnic tables.
20. A maximum of six spaces at the campground at Brooks Camp per night are available to be reserved by Special Use Permit Holders. Once two sites have been reserved by Holders, no additional Holder reservations will be accepted for that night(s). Subject to the two space limitation, Special Use Permit Holders may reserve spaces under the same terms and conditions as the public. Spaces are not set aside for Holder reservation and consequently may not be available if otherwise reserved by the public. Special Use Permit Holders must identify themselves as Katmai commercial operators when making reservations. Except as provided above, the campground at Brooks Camp and/or any of its related facilities will not be used for, or in support of, commercial activities.

BUSINESS PARTNER MEETINGS

Holders may be required to attend an Annual Business Partner meeting prior to beginning operations. Holders will be notified in advance of requirements and locations. Failure to attend a required meeting may result in loss of a SUP authorization. Meeting requirements may apply for 2013.

SUSPENSION, RESTRICTION, REVOCATION and DENIAL POLICY

This Authorization may be suspended, restricted or revoked in accordance with the NPS Alaska Regional Policy Number 700-001. A violation is defined as:

- Failure to comply with state or federal law, regulation or administrative action where a link exists between the offense and the business activity authorized regardless of whether the violation occurred in a unit of the National Park System, regardless of whether the violation occurred in a unit of the National Park Service;
- Violation of 18 U.S.C. 1001, providing false information to any agency or department of the United States;
- Failure to comply with a federal or state health or safety code or regulation when conducting activities authorized by the SUP;
- Failure to comply with the provisions and conditions of the SUP.
